TEXAS TUITION
PROMISE FUND

Susan Combs

Texas Comptroller of Public Accounts

The Texas Tuition Promise Fund. From a Dream to a Plan. Promise.

Your Future College Graduate's Success Starts Here.

Get your child on the path for a college education by enrolling now in the Texas Tuition Promise Fund.

With the Promise Fund, you can begin paying for college now, based on prices determined by today's tuition costs. The plan lets you purchase "tuition units" that your child can trade for semester hours. These can be used at all Texas public colleges and universities as well as private colleges in Texas and schools throughout the U.S.

How Does It Work?

The Promise Fund offers three types of tuition units.

- **All-Texas College Units** can be used to pay for undergraduate resident tuition and required fees at any Texas public college or university, regardless of its cost.
- **Texas 4-Year College Units** are lower priced and are based on the weighted average cost of undergraduate tuition and required fees for in-state students at four-year Texas public colleges and universities.
- **Texas Junior College Units**, the most affordable, cover the weighted average cost of undergraduate tuition and required fees for in-state students at two-year Texas public colleges.

In each case, 100 tuition units are good for 30 semester hours, or one year of college with typical course work.

You can purchase tuition units all at once, buy them over time or get them through an installment plan. The choice is yours!

How Do I Get Started?

You may enroll in the plan any time between **Sept. 1 and Feb. 28** (Feb. 29 in leap years). Enrollment for newborns or children less than one year old is extended to **July 31**.

The fastest, easiest way to open an account is to visit www.TuitionPromise.org to download an enrollment form or order an enrollment kit. Use our online calculator to research the various unit pricing and payment options.

Comments or complaints may be forwarded to the following address or by calling the following number: Prepaid Higher Education Tuition Program, Office of the Comptroller of Public Accounts, P.O. Box 13407, Austin, Texas 78711-3407, 512-936-2064.
